Amharic — Native
English — Intermediate

CERTIFICATIONS

• Fortinet NSE 1-3 Network Security Certifications
• Wollo IDEEZA Club Hardware-Software Prototyping Training
• Appreciation Certificate, Community Service — HENDO

INTERESTS

Tech exploration & coding
Gym workouts & football
Reading & continuous learning

GIRMA MENGISTU TUMAY

PROFESSIONAL SUMMARY

Dedicated and results-driven fourth-year Computer Science student at Wollo University (Kombolcha Institute of Technology) with hands-on experience in Full-stack web development, UI/UX design, and digital governance portal development. Proficient in HTML, CSS, JavaScript, React.js, PHP, Node.js and MySQL, with a strong passion for building responsive, accessible, and user-centric web applications.

IT & Digital Governance Intern - Gidan Wereda Administration Office

January 25, 2026 – March 10, 2026 (45 days)

- *Key Responsibilities:*
  - Designed and developed the Gidan Wereda Peace and Security Administration Digital Portal.
  - Integrated e-services, application tracking systems, and news publishing modules to improve local administrative workflows.
  - Applied frontend and backend technologies (HTML, CSS, JavaScript, PHP, MySQL) to deliver a fully functional service portal.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science

- Wollo University, Kombolcha Institute of Technology (KiOT)
- *Expected Graduation / Current Status:* Fourth-year student (As of 2026)

KEY STRENGTHS

- Detail-oriented with strong accuracy in frontend web development, UI/UX design, and clean code implementation.
- Fast learner who adapts quickly to new programming languages, frameworks, and modern development workflows.
- Confident communicator comfortable collaborating with team members, stakeholders, and cross-functional groups on tech projects.
- Reliable under deadline pressure, with a proven track record of delivering digital governance portals and operational web applications on time.
